CENSUS OF VICTORIA, 1901.

PART VI.—EDUCATION OF THE PEOPLE.

** All children under three years of age have been tabulated as "Cannot Read," and none under five as able to "Read and Write," notwithstanding what may have been entered on the Schedules.

Foreigners who could Read or Write only in a Foreign language have not been regarded as illiterate.

Only illiterate persons and persons whose education was unspecified are enumerated in most of the tables in this tabulation. The remainder of the population could "Read and Write."

^{* &}quot;Scholars-School not stated," if Protestants, are entered under the head of "State Schools"; but if Roman Catholics, or other non-Protestant denominations, under the head of "School Unspecified."

[†] Including scholars of unspecified age.

[‡] Exclusive of those of unspecified age. Of children whose ages were unspecified it is estimated that 263 males and 132 females were between 6 and 13 years, and that of these 250 males and 170 females were receiving instruction.

^{* &}quot;Scholars -school not stated," if Protestants are entered under the head of "State Schools"; but if Roman Catholics, or other non-Protestant denominations, under the head of "School Unspecified."

1 Including scholars of unspecified age.

2 Exclusive of those of unspecified age. Of children whose ages were unspecified, it is estimated that 263 males and 182 females were between the ages of 6 and 13 years, and that of these, 250 males and 170 females were receiving instruction.

3 The proportion of the "Migratory" receiving instruction has been estimated.
